

NAPS Class of 1967 – Reunion 2012

SITREP 011

<http://www.naps1967.com>

Wow!

- Our *Return to NAPS* was a complete success. For those unable to attend, please know you were well-remembered, toasted (not roasted), and with us in spirit. *After Action Report* attached.
- In the weeks ahead, the committee will begin transitioning the NAPS Class of 1967 website from a pre-reunion to post-reunion posture. In the interim, please follow the *Flickr* links below to enjoy a taste of the reunion and a glimpse into the future effort as we work to keep the NAPS brotherhood alive and vibrant. Although we have many photographs on hand to label and post, we look forward to receiving images from others. We are still in search of video footage (however slight) of the *March to Tome*. We are pleased to have a number of quality stills, but a technical glitch found us unable to capture the march in motion. To view captions and photo IDs simply click on the *show info* tab in the upper right corner of each slide show:

- Bob Capra is working closely with photographer, Ray Mitchell, to identify all photographs before assembling a spiral bound memory book and DVD (slide show) to be made available for \$25 each. An 8" x 10" group photograph taken on the steps of Memorial Hall at the close of the service is also available for \$20. While Ray was available to take orders during our dinner at the VFW, not everyone who wished to do so was able to place an order before Ray had to depart. Orders can still be placed by visiting Ray's website at: www.Photo-Op.PhotoReflect.com, or by posting a check payable to: Photo Op-Reunion Pictures, 936 Lynch Drive, Annapolis, MD 21012.
- Reminder: NAPS '67 embroidered hats, shirts and more may still be ordered directly from Wedekind Brothers Co. Inc. For more information, please visit the NAPS '67 website home page and click on '*Reunion Gear*' to see photographs of NAPS '67 apparel available for purchase.
- Will there be a 50th? Stay tuned! ***The Committee (Bob, John, Bob, Ken, Wally)***
