STEVEN OFFERDAL VANDAL
Ballwin, Missouri E-1

A Navy man before arriving at these gray walls, but truly all Army now! Missouri was home and he kept its motto, "Show Me." Weekends, Choir trips, golf, and an easy going smile were all Steve needed to keep him going when things were down. Steve is one to admit that he did not mind it here, even shining shoes! A good career and happiness will follow Steve in his future.
